***WOVEN FLEXO PRINTING AND FINISHING UNIT - SALEM***

[www.slvgroup.co](http://www.slvgroup.co)

SLV Poly Pack is an integrated packaging company. We are manufacturers and exporters of Woven, Non Woven and Flexible packaging material. Equipped with expertise and advanced machinery, this company takes care of the complete packaging solution; from designing to manufacturing of packing material. We cater to various sectors like agricultural commodities, coal, fertilizers, chemicals, polymers, minerals, animal nutrition and shopping bags.

We provide one-stop packaging solution with high-tech set-up that includes...

*Tape Extrusion Plant and Circular Looms to manufacture PP woven Fabric*

*8 Colour Rotogravure Printing Machine with Lamination and Finishing Plant*

*Non Woven Printing and Finishing Plant*

## Woven Fabric (Laminated and Non-laminated)
